All prices listed are exclusive of GST.

A 10% damage waiver will be added to the total hire price.

Please email your request to hello@monw.com.au at least 48 hours prior to the commencement of your studio booking. A request for equipment hire is not confirmed until M on W has accepted the request in writing.

All hire items are for use within M on W premises only and subject to the Summary of Terms & Conditions of Equipment Hire (attached) and the Terms & Conditions of Equipment Hire (attached).

Summary of Terms & Conditions of Equipment Hire

- Please also refer to the detailed TERMS & CONDITIONS OF EQUIPMENT HIRE (attached) and applies to all hires.
- All prices listed in this document are exclusive of GST and are subject to change without notice.
- A 10% damage waiver will be added to the total hire price.
- All hire items are for hire and use within M on W premises only. Use outside of M on W premises is not permitted.
- Some images are representation only and may not be actual item.
- Full payment is due via EFT transfer 7 days from date of invoice.

Process of hire:

1. Prior to your studio booking, inform M on W of the equipment that you require and the period of time that you require the equipment. M on W generally require a 1-4 day lead time to ensure the equipment is available; the more notice you can provide the better.

2. A quote will be created by M on W outlining the items you have requested and costs involved. Please check this over thoroughly to ensure that the correct equipment is listed. For any reason, if a quote is not provided prior to the booking, the Hirer understands the costs involved based on the Equipment price list provided and will be charged accordingly.

To proceed with a hire, M on W require:

1. Written confirmation that the equipment listed is correct and approval of costs via email.
2. The total cost of hire items will be added to your studio hire invoice (unless alternative arrangements have been agreed upon in writing prior). Please note that any requests for hire items on the day of your booking will be charged in addition to the original equipment hire list.

Insurance & Damage Waiver:

An insurance and damage waiver for equipment on hire is charged at 10% of the total hire price.

- It provides the hirer cover for theft of items that have a value of over \$1000.
- It provides the hirer cover for damage to items that have a repair value of over \$1000.
- Damage costing less than \$1000 is charged to the hirer.
- Theft or loss of items costing less than \$1000 is charged to the hirer at the replacement or repair price.
- In the case of theft a police report is required, otherwise you are liable for the full replacement cost of the equipment not returned to M on W.
- A \$1000 excess applies for all insurance claims. In the case of loss or theft of any items hired, a \$1000 excess or replacement cost (whichever is less) must be paid to M on W. In the case of damage to any items hired (whether listed on the original order or requested on the day of booking), \$1000 or the cost to repair (whichever is less) must be paid to M on W.
